INDIVID PAGES

# Built with Twitter Bootstrap 2.1 and Compass

ID	NOTES:
<b>GUIDE</b>	
1	<b>NAV BAR &amp; LOGO</b> Dbl-clicking opens up these options.
2	<b>SEARCH FORM</b> Database for basic searches
3	<b>SPOTLIGHT ON MEMBER</b> This will link to the archive of members.
4	<b>ABOUT US: MISSION STATEMENT</b> Bold incentive launching the purpose of the group
5	<b>CALENDAR</b> This will link to both the Blog and a Calendar Page
6	<b>BLOG</b> This is one recent post that will autamtically be placed on the front page as it gets added to bi-monthly.
7	<b>SLIDING MENU WITH LAZILY LOADING PAGE</b> The menu items could be slightly different... like direct links to the CHEAT SHEETS for example.

# TEMPORARY SITE...

ID	NOTES:
<b>GUIDE</b>	
1	<b>NAV BAR &amp; LOGO</b> The destinations will go nowhere with a pop-up that say: "COMING SOON".
2	<b>SEARCH FORM</b> Database for basic searches
3	<b>ABOUT US</b> MISSION STATMENT / Perhaps one good shot of last meetup
4	<b>STATIC CALENDAR</b> Where the next meetup is and how volunteers are needed.
5	<b>CALL TO ACTION FOR VOLUNTEERS</b> The incentive should be re-inforced.

## PERSONNAS:

*Who /Why: Women who are interested in technology but don't have easy access to a community*

*Bkgrnds: Wether they are designers, or "noobs" or even seasoned programmers, it's a place to come and build a community with fellow female programmers.*

### *They're habits:*

*Upgrading job skills ( money and financial stability )*

*Competency and excellence*

*Nuture and grow ( with others )*

*Personal expansion*

*Confidence Building / Innovation*

*Faster Learning Collectively*

*Has experienced male dominated workshops and meetups*

*Might be self-learning and has experienced unreliable results*

*Frustrated but willing to learn*

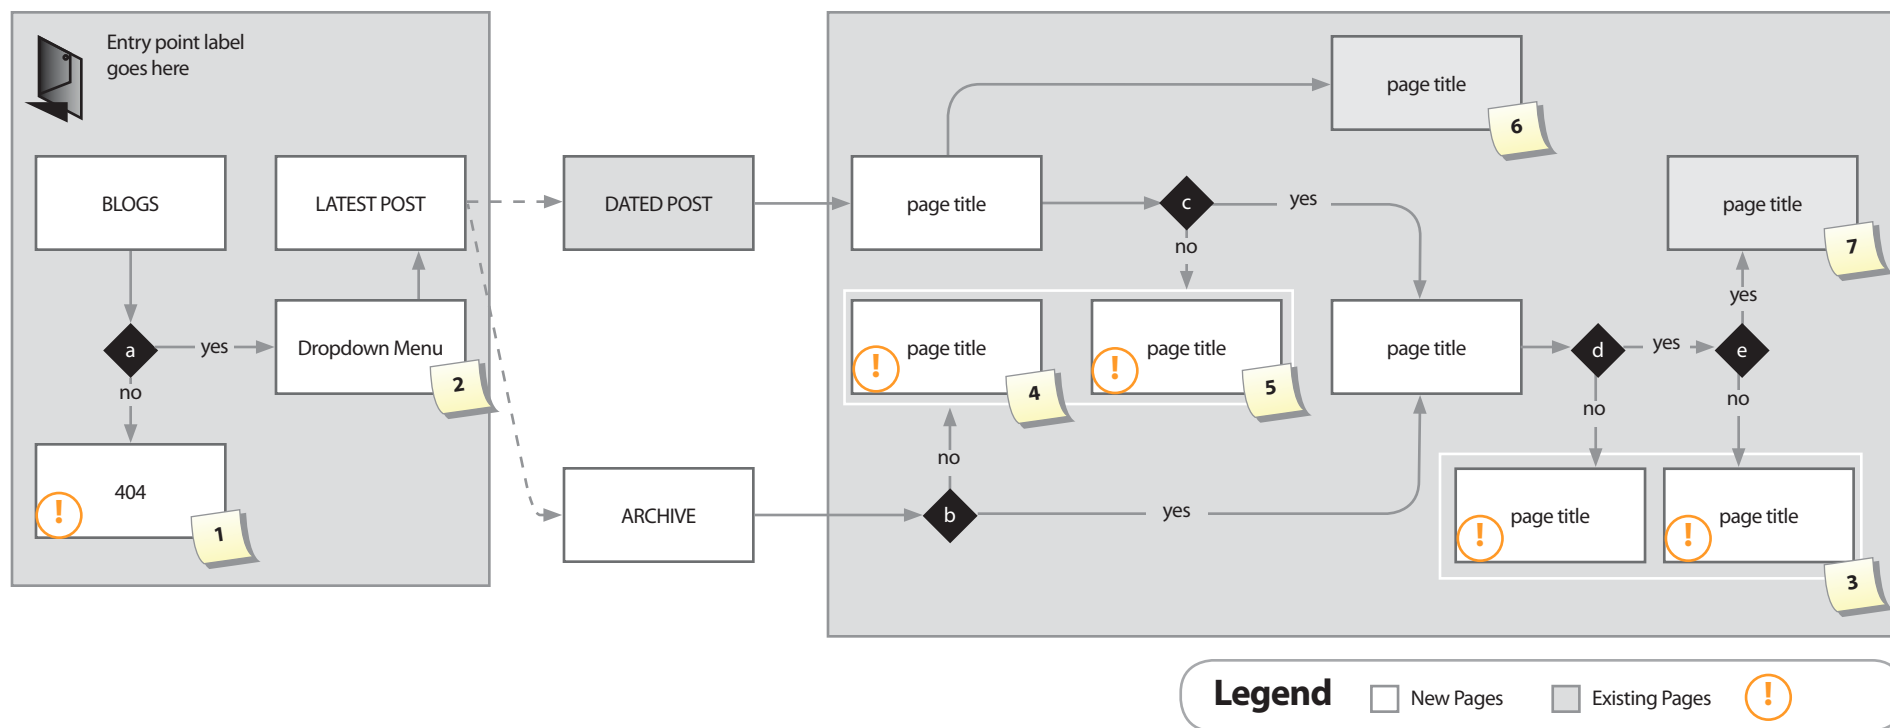

*Entrepreneurish tendencies, not risk adverse*

*Future-casting , career results*

*Professionals refining connections.*

ID	NOTES:
<b>GUIDE</b>	
1	<b>Interested in Programming</b> Might be self-learning.
2	<b>Commercial Artists and Designers</b> These women might be coming towards the Back End from the front end as Front End Developpers.
3	<b>Programmers Upping thier game</b> Staying relevant with new concepts and helping new women with the career choice of programming.
4	<b>2nd Careers coming into Programming as total "newbies"...</b> Bold incentive launching the purpose of the grou
5	<b>MENTORS</b> Bold incentive launching the purpose of the grou
